AN INTRODUCTION TO MY PHOTOGRAPHY STUDIO

LET'S GET STARTED

YOUR WEDDING WITH **Friends & Lovers**

When it comes to photographing my wedding couples, I hold an incredible passion for documenting the small and big moments that completely encompass who they are, and how they love. My approach to photography is natural and relationship-oriented; I love to get to know my clients long before putting them in front of the lens. I want to hear all about your love story so I can tell it in light and color.

My goals? I want to create a special vision together with you, immortalizing the bonds, emotions, and moments that can't be re-lived or replaced. Beautiful photographs are those moments frozen in time for you to remember and revisit with family, friends, or a quiet moment alone - and I strive to create images that will be cherished for many, many generations.

HEY, WHY DO WE NEED AN

ENGAGEMENT SESSION?

Aside from providing you with beautiful, emotional portraits in a casual setting, engagement sessions allow us to get to know each other before the big day. Knowing what to expect from your photographer and feeling relaxed in front of the camera are both so critical for photo success. During the engagement session, I love to work with you to find the styles, smiles, angles, and poses that work best for you as a couple in a pressure-free setting. That way, when your wedding day comes around, we'll have already practiced picture-taking together and everyone will know what to expect!

Engagement sessions are the time for you and your person to show your inner selves, and your love for one another, in a relaxing and enjoyable environment. I encourage you to choose a location that speaks to you in a personal way, or let me recommend a few of my favorite spots based on experience. Some couples choose that special spot where they proposed, others their favorite bar, hiking spot, or my personal favorite- their homes. I can't wait to get you in front of the camera and bring out what makes you love so special.

CARING FOR MY CLIENTS

Communicating with my clients is a huge part of what I love so much about my business. I remain friends with many of my clients long after I've finished our initial sessions together (and enjoy continuing to document their lives!). I want to be here for you in every way possible. I encourage you to ask questions, suggest ideas, and play a hands-on role in the planning process. The following is a list of ways to get ahold of me, so you always feel cared for.

with FRIENDS AND LOVERS PHOTOGRAPHY

CHELSEY HERE!

I am so excited to be shooting your upcoming wedding! I know how hectic this planning stage can be, so I'm popping in to let you know that I'm here to help in any way possible. If you're needing recommendations for vendors, ideas for decor, or just someone to vent to (no judgements, promise!)—I'm 100% here for you. This is a crazy time filled with emotions, and I get it., I've been there, and I'm here.

Additionally, many times my clients find themselves needing more services than they originally anticipated. For this reason, I've created a short list of add-ons, compiled from years of experience and client requests as they plan their wedding—and realize they need a little bit more than originally anticipated! If you need anything from extra coverage to a boudoir session, there's still time to add it on. Just check out my little list below!

EXTRA COVERAGE

Because of the nature of my schedule, I'm usually the first vendor my clients book (and it's quite far in advance!). It's not uncommon for my clients to book photography even before any of the other wedding plans are made. For this reason, my clients often find themselves needing extra hours of coverage as wedding plans change and expand. Once you've booked your date, the entire day is reserved just for you, and I'm available for extra coverage up to a maximum of 10 hours.

EACH ADDITIONAL HOUR OF COVERAGE

\$500

SECOND SHOOTER

As much as I try to be in every place at once, sometimes it's just physically impossible. For larger weddings or weddings where the couple are getting ready at the same time in separate locations, you'll want a second shooter to make sure not a single detail is missed. I only work with other professionals who meet my rigorous standards of quality images and matching equipment. Think of it like getting 2 of me!

DESTINATION WEDDING

Did you decide to plan a destination wedding? I LOVE destination weddings, and will be right there with you for every special moment no matter where you wedding takes place! I define a 'destination' as anywhere outside the state of Colorado or requiring airplane travel. Due to the additional expense and time of travel, destination weddings are an add-on to regular packages.

The good news? Since clients cover the cost of my travel, I am happy to include 3 additional hours of non-wedding photography at the destination, which may be used for anything from the rehearsal dinner to a casual portrait session with with the two of you

AIRFARE + TRANSPORTATION + MINIMUM 2 NIGHTS HOTEL STAY

100% covered by client

EACH NON-WEDDING DAY FEE
